

Declaration of no solid wood packaging material
(Manufacturer's certificate)

01.04.2014

We, the Euroblock Verpackungsholz GmbH, sales company for moulded pressed blocks of the production companies:

- Pfeifer Holz GmbH, Unterbernbach Germany
- Pfeifer Holz GmbH, Uelzen Germany
- Pfeifer Holz Lauterbach GmbH, Lauterbach Germany
- Presswood International, Ermelo Netherlands

declare that these products – FORMBLOCK-Palettenklotz and PW-Blocks – do not contain solid wood.

The wood particles are dried to a moisture content of less than 4 % and moulded under pressure and heat (like plywood / particle board or OSB).
